FISCAL NOTE

SB 1872 - HB 1783

February 27, 2014

SUMMARY OF BILL: Extends the nursing home annual assessment fee that terminates June 30, 2014 for one year to June 30, 2015.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact – Prevents the loss of \$82,300,000 in state revenue and \$153,280,364 in federal matching funds.

Revenue recognition in the amount of \$82,300,000 is included in the Governor's proposed FY14-15 budget.

Assumptions:

- The proposed FY14-15 budget includes revenue resulting from this tax in the amount of \$82,300,000. The state revenue generated will produce federal funds in the amount of \$153,280,364 at a federal match rate of 65.065 percent.
- All revenues collected as a result of the continuation of the assessment will be deposited into the General Fund.
- All revenue collected by the state, including investment earnings credited to the nursing home annual assessment fee payments, interest, and penalties paid by any nursing home, and all federal funds generated by federal matching funds relative to the nursing home privilege tax will be used by the Bureau of TennCare for the sole purpose of providing payments to nursing homes and use of these funds for any other purpose is prohibited.
- According to the Bureau, total reimbursement payments to nursing homes exceed \$235,580,364 (\$82,300,000 state + \$153,280,364 federal) each year. There will not be an impact to the long term care budget to require reimbursements to nursing homes to come from the nursing home annual assessment fee.
